

PERMANENT ALLIANCE? NATO and the Transatlantic Bargain from Truman to Obama

Stanley R. Sloan

"Stanley Sloan has for many years been one of the most influential and authoritative analysts of the NATO Alliance. In his new book "Permanent Alliance" he demonstrates once again his in-depth knowledge of NATO issues and his sound, balanced judgements of both the strengths and weaknesses of the Alliance as it strives to adapt to the 21st century security challenges. This book should be at the top of the list for anyone who wants to understand today's NATO." --Jamie Shea, Director, Policy Planning, Private Office of the Secretary General,,NATO

"Stanley Sloan, a distinguished NATO analyst, has been thinking, lecturing, and writing about the "transatlantic bargain" for over a generation. In this, his third book on the subject, he has produced a masterly re-examination of the sixty-year relationship between America and Europe. Cautiously optimistic about NATO's future, this authoritative study should be welcomed by scholars and policymakers alike. It will be a valuable text for my NATO history classes." -- Lawrence S. Kaplan, Emeritus Director of the Lyman, L. Lemnitzer Center for NATO and European Union Studies, Kent State University

"Sloan's book is an outstanding study on the subject matter of transatlantic relations. He is an original thinker, an experienced researcher and – clearly visible– loves the subject matter. This study is a must both for teachers and students of political science and contemporary history." -- Bram Boxhoorn, Director Netherlands Atlantic Association

"I read Stan Sloan as I began teaching NATO affairs decades ago. I continue to read him today to learn. You will as well - read him." Lawrence Chalmer, National Defence University

Permanent Alliance examines how US-European relations are evolving in response to the many global trends that are changing the strategic environment for that relationship. It seeks to assess whether NATO is becoming the permanent alliance President George Washington warned us against, or if it is nearing the end of its utility.

Stanley R. Sloan is one of America's top experts on US-European relations. He is the founding Director of the Atlantic Community Initiative (www.AtlanticCommunity.org) and a Visiting Scholar at the Rohatyn Center for International Affairs at Middlebury College.

Permanent Alliance?

NATO and the Transatlantic Bargain
from Truman to Obama

Stanley R. Sloan

Foreword by The Honorable Lee H. Hamilton

Contents

Foreword by the Honorable Lee H. Hamilton

Part I Cold War Alliance

1. The Bargain as a Framework for Analysis
2. Genesis of the Bargain
